Glad to participate. Please let us know who Paula should work with on your end to get this set up.

Hi Peter,

Tomas and I thought we should reach out and offer a quick update (half hour) on our UIC Class II efforts w CA as well as the status of our DW SRF ULO work. I know with LCR and PFOA/PFOS you are very busy, so if you would prefer we could have a call w Anita and she can fill you in or put a general update in writing and follow-up as necessary.

Thanks,

Mike
